PROOFS:

PRIOR TO PRODUCTION SAMPLES: The sample requirement for this contract is not less than 3 printed samples of each Sticker with backing sheet. Each sample must be constructed as specified using the form, materials, equipment, and methods of production, which will be used in producing the final product. All samples shall be manufactured at the facilities in which the contract production quantities are to be manufactured.

Samples will be inspected and tested and must comply with the specifications in all respects. If machine processing of the final product is indicated in the specification, the samples will be tested and must function satisfactorily on the equipment indicated.

Samples must be submitted prior to commencement of production of the contract quantity. The contractor must fill in the furnished preaddressed revised label (GPO Form 892). The samples plus the furnished government material must be submitted directly to: HQ USMC, 1301 South Gate Road, Room 1209, Arlington, VA 22214, Attn: Joe Ann Lovett, 703-614-4816, in sufficient time, using the furnished label, to allow Government testing of the samples and production and shipment in accordance with the shipping schedule.

Contractor must call Contract Compliance Section in the U.S. Government Printing Office (202) 512-0520

immediately upon sending/delivering samples and immediately upon notification that the samples are available for pickup at the department.

The Government will approve, conditionally approve or disapprove the samples with in 2 workdays of the receipt thereof. Approval or conditional approval shall not relieve the contractor from complying with the specifications and all other terms and conditions of the contract. A conditional approval shall state any further action required by the contractor. A notice of disapproval shall state the reasons therefor.

If the samples are disapproved by the Government, the Government, at its option, may require the contractor to submit additional samples for inspection and test, in the time and under the terms and conditions specified in the notice of rejection. Such additional samples shall be furnished and necessary changes made at no additional cost to the Government and with no extension in the shipping schedule. The Government will require the time specified above to inspect and test any additional samples required.

In the event the samples are disapproved by the Government, the contractor shall be deemed to have failed to make delivery within the meaning of the default clause in which event this contract shall be subject to termination for default, provided however, that the failure of the Government to terminate the contract for default in such event shall not relieve the contractor of the responsibility to deliver the contract quantities in accordance with the shipping schedule.

In the event the Government fails to approve, conditionally approve or disapprove the samples within the time specified, the Contracting Officer shall automatically extend the shipping schedule in accordance with article 12 "Notice of Compliance with Schedules" of contract clauses in GPO Contract Terms [Pub. No. 310.2 effective December 1, 1987 (Rev. 6-01)].

Manufacture of the final product prior to approval of the samples submitted is at the contractor's risk.

Samples will not be returned to the contractor. The cost of all samples shall be included in the contract price for the production quantity.
